

**ANARCHIST MOUNTAIN  
FIRE RESCUE SOCIETY**

## **PROGRAMS**

**AMFD Technical Rescue/ Medical First Responders - to provide training and equipment opportunities to maintain team excellence in best practices for vehicle extrication, rope rescue and medical response on Anarchist Mountain.**

**To educate the community on the protection of their homes and properties from wildfires through educational events and home assessments, following the best practices developed by FireSmart Canada.**

**ENPrep**

**To notify Anarchist Mountain residents as to any emergency alerts, evacuation orders, and rescinding of such orders, as well as to educate residents on emergency preparedness.**

**To increase the understanding and awareness within the Anarchist Mountain community on how to safely co-exist with wildlife through community education.**
